THE TRUTH ABOUT BARACK'S LOVE FOR FLAG AND COUNTRY

Barack Obama's grandfather, a WWII veteran, taught Barack the Pledge of Allegiance when he was a little boy and helped inspire his love for America. But that hasn't stopped smear pushers from claiming he's not a patriot.

Fortunately, fraudulent emails pretending Barack won't say the Pledge or put his hand over his heart are easily refuted by a video of Barack doing precisely that on the floor of the United States Senate.

Make sure anyone who tries to smear Barack on his love for flag and country sees the video of Barack leading the U.S. Senate in the Pledge of Allegiance at fightthesmears.com/articles/7/patriot.
