## THE TRUTH ABOUT BARACK OBAMA AND THE NEW PARTY

Right-wing hatchet man and conspiracy theorist, Stanley Kurtz is pushing a new crackpot smear against Barack falsely claiming he was a member of something called the New Party.

But the truth is Barack has been a member of only one political party, the Democratic Party. In all six primary campaigns of his career, Barack has run as a Democrat. The New Party did support Barack once in 1996, but he was the only candidate on the ballot in his race and never solicited the endorsement.

This isn't the first time Kurtz has ventured down this slippery slope — he has a history of telling these kinds of unsubstantiated tall tales. Kurtz is on the record with the sexist and intolerant claim that the national nursing shortage is the “fault of feminism.” And here's what the Chicago Tribune had to say about this “partisan attack dog:”

WGN-AM 720 host Milt Rosenberg erred Wednesday night when he had partisan attack dog Stanley Kurtz as his only guest for a two-hour show.... Rosenberg, who is himself quite the partisan, tut-tutted right along with Kurtz. It all disguised that Kurtz really had nothing new to add to the insinuations and innuendo in the guilt-by-association portion of the campaign against Obama in which he's actively engaged.”

Stanley Kurtz's latest smear is just another attempt to drum up fears and plant conspiracy theories to slander Barack. Fight back with the truth make sure anyone who has seen this smear also sees this site.
