One of the most vile smear peddlers of the 2004 election has found a new target.

Jerome Corsi just published a new book full of rehashed distortions and the same old lies about Barack Obama, and the right-wing noise machine is in full gear promoting it.

It's up to you to spread the truth, so here it is. There's even more at FightTheSmears.com, in our PDF: Unfit for Publication.
