

FIGHT *The* SMEARS

NEXT GENERATION SWIFT BOATERS

In 2004, Harold Simmons was the biggest funder of the manipulative smear group Swift Boat Veterans for Truth. In 2008, Simmons is the sole donor funding a vicious attack ad in some battleground states that uses tortured logic and clumsy innuendo to invent a tie between Barack Obama and terrorism.

The ad goes completely beyond the pale by cynically exploiting the tragedy of 9/11 in an unfounded connection with Chicago academic William Ayers. Then it claims that Ayers somehow “launched” Barack Obama’s career — an assertion so outlandish that not even Simmons’ fellow discredited Swift Boater Jerome Corsi included it in his smear book.

The ad may even be a criminal violation of campaign finance laws. Simmons has previously been fined tens of thousands of dollars for campaign finance violations – including forging the signatures of his own daughters to make political contributions from trust funds.
