## THE PREPOSTEROUS “WHITEY” ATTACK AGAINST MICHELLE OBAMA IS COMPLETELY DISPROVEN

Rush Limbaugh and Fox News once again used fear and prejudice to try and sink another candidate they don't like.

On May 30th, Rush Limbaugh gave specific details about a video tape supposedly showing Michelle Obama using a tasteless racial slur, something an accomplished professional and loving mother like Michelle would never say. Proven sleazemeister Roger Stone went on Fox News two days later to make a similar claim.

What did Michelle actually say on that video? Nothing — there is no video. The entire thing was completely fabricated by people like Limbaugh and Stone who want to take Michelle and Barack down. In fact, neither Michelle nor Barack has ever said anything remotely like the stuff Limbaugh, Stone, and the rest made up for their fantasy tape.

This is the worst, most hateful kind of smear there is. Make sure your friends and family know who is behind it.
